WHS School Bus Information

Students who attend Wangaratta High School may be eligible to travel on a Government School Bus for free. Others may be able to access the services upon payment of a fare.

To be eligible for free bus travel the general rule is that students must live 4.8 km or more from their nearest appropriate school. Students not attending their nearest school may access a school bus subject to seating capacity and upon payment of a fare.

Parents/guardians need to complete an Application for Permission to Travel – Eligible Students or Application for Permission to Travel – Fare Paying Students. Attached to the application form are the conditions of travel in which parents/guardians and students must sign agreeing to those conditions of travel. The bus coordinator will process your application and advise you of the outcome.

Students who need to catch a town bus will have to contact Fallons Wangaratta on 5722 9255 for information on bus stops, times and cost. If you live more than 4.8km from Wangaratta High School you may be entitled to a Conveyance Allowance and travel for free. Forms to apply for this allowance are available at our office.

If you are already an existing bus traveller but are starting at Wangaratta High School you will need to complete an application form with your updated information.
